

RECOGNITION OF DELTA SIGMA
THETA SORORITY

HON. REID J. RIBBLE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. RIBBLE. Mr. Speaker, I rise today to recognize the accomplishments of the Delta Sigma Theta Sorority as it launches a new chapter in Northeast Wisconsin on April 2, 2016. Delta Sigma Theta was founded in 1913 at Howard University with a purpose to provide support to collegiate women through programs in local communities throughout the world.

In their first year, the sorority bravely marched in the Woman Suffrage Parade exemplifying their mission to promote women's rights. Founder Florence Letcher Torns reflected on that day saying "we marched that day in order that women might come into their own, because we believed that women not only needed an education, but they needed a broader horizon in which they may use that education. And the right to vote would give them that privilege."

Since that time, Delta Sigma Theta has grown to reach over 200,000 women and currently boasts a membership of 1,000 collegiate and alumnae chapters located around the globe.

I congratulate Delta Sigma Theta on their decision to embark on a new chapter in Northeast Wisconsin and look forward to watching the community flourish with their participation.

RECOGNITION OF SHELTON
GIVENS

HON. MARC A. VEASEY

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. VEASEY. Mr. Speaker, I rise in recognition of Shelton Givens, who passed away on February 29, 2016. Mr. Givens was the owner of Shelton's Barber Shop, located on the ground floor of the historic Sinclair Building in downtown Fort Worth, Texas.

After working at local Fort Worth barbershop for nearly 10 years, Givens opened his namesake barber shop in 1991 at 512 Main Street in Room 112. Shelton's Barber Shop was well-known for its "old-fashioned service" and remained a fixture in the community for 25 years. Regular and walk-in customers often raved about the 1920's inspired services that included "cigars, hot shaves, and casual conversation". Givens and his staff became recognized for their exemplary customer service skills that kept loyal Fort Worth residents returning to their shop for years.

Shelton and his wife of 51 years, Eunice Givens, were longtime residents of the Highland Hills Community where they raised two children: a son, Daryl Givens, and a daughter, Shelby West. They were members of the East Saint Paul Baptist Church and active members in the community, helping to organize neighborhood events and playing a key role in the "National Night Out" initiative. Givens' wife, Eunice, is a homemaker and well-known throughout Fort Worth for her role as a neighborhood activist.

After more than two decades in the Sinclair Building, the Shelton Givens Barber Shop closed its doors in December 2015 due to Givens' failing health. At 80-years-old, Givens retired from his shop and stayed home in the care of his wife and children.

NATIONAL ACADEMY OF FUTURE
PHYSICIANS AND MEDICAL SCI-
ENTISTS—BIANCA ELLEGON

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Bianca Ellegon from Richmond, TX for being accepted into the National Academy of Future Physicians and Medical Scientists to represent the state of Texas at the Congress of Future Medical Leaders.

Bianca attends Terry High School and is one of eight high school honor students selected from the Twenty-Second Congressional District of Texas. These students were selected as Texas delegates at the Congress of Future Medical Leaders, a program for high school students to be recognized for their hard work in school and supported to continually strive toward their aspirations of working in the medical field. The National Academy was founded by Richard Rossi and Dr. Robert Darling; Mr. Rossi currently serves as president. The Congress is being held at the Tsongas Center at the University of Massachusetts, Lowell from June 25th through the 27th. Bianca was selected by a group of educators to be a delegate for the Congress because of her dedication to her academic success and goals of pursuing a medical science. We are proud of Bianca and all of her hard work, and know she will make Richmond proud.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Bianca for being accepted into the National Academy of Future Physicians and Medical Scientists. Keep up the great work.

75TH ANNIVERSARY OF THE
FARMINGTON REGIONAL CHAM-
BER OF COMMERCE

HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor the 75th anniversary of the Farmington Regional Chamber of Commerce of Farmington, Missouri. The application to form the chamber was signed by Edward B. Effrein as President; Charles S. Fitz as Vice-President; and Mack F. Denman as Secretary-Treasurer. The Chamber became a legal and active organization on July 2, 1941. Its mission has broadened over the years: to promote good government, hold meetings for the discussion of current questions, and improve the quality of life for the residents of Farmington.

The Chamber was instrumental in bringing Trimfoot Shoe Company to the city as a major employer. In the 1950s the Chamber pushed for commercial development along the U.S.

Highway 67 Bypass which today is known at Karsch Boulevard.

The Chamber was instrumental in the creation of an industrial park; advocated for a state prison in Farmington; worked for educational issues; and led efforts to continue economic growth. It campaigned for the Farmington City Civic Center, improvements for the Farmington Regional Airport, construction of the Farmington Water Park and most recently, the construction of the new Farmington Public Library. The Chamber also led a team effort to have St. Francois County become a Certified Work Ready Community.

From its year-long observance of Farmington's 200th anniversary in 1997 to its annual celebration of Country Days, the Farmington Regional Chamber of Commerce continues to focus on what's best about Farmington. Its outstanding efforts led the Missouri State Chamber of Commerce to honor it as the 2014 Chamber of the Year.

In the years ahead, the Farmington Regional Chamber of Commerce will continue to help Farmington be one of the best communities in Missouri to live and work. It gives me great pleasure to recognize the impressive 75-year history and the promising future of the Farmington Regional Chamber of Commerce before the United States House of Representatives.

IN RECOGNITION OF THE OPENING
OF PACKARD HEALTH'S YPSI-
LANTI HEALTH CENTER

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mrs. DINGELL. Mr. Speaker, I rise today to recognize the ceremonial opening of Packard Health's Ypsilanti Health Center on Tuesday March 29th, 2016.

Packard Health's two Ann Arbor locations have been serving all of Washtenaw County for the last 43 years. That means 43 years of serving our family, friends, and neighbors. From prenatal, pediatric, mental health, and chronic disease care, Packard Health works to provide the community with essential primary care needs. They have not only earned, but solidified their reputation as a vital community resource, providing health services to those who don't have access, or cannot afford health care. Beginning December 2015 this new Packard Health location in Ypsilanti has begun treating Washtenaw County's most underserved group of individuals in a more immediate way.

Ypsilanti has been one of the hardest hit communities with respect to the recent economic down turn, with a poverty rate nearing 30 percent. Nearly 3 out of 10 people are living without the basic necessities many of us take for granted. Though our national conversation about health care has taken center stage over the last several years there are still far too many people living without the adequate health care coverage, and even more who lack access to doctors, nurses and facilities. I believe that health care is a basic and fundamental right, regardless of income, age, or background. This new Packard Health location in Ypsilanti is positioned to do the most good for so many of the individuals with the

greatest need in Washtenaw County. Currently, Packard Health has treated over 8,000 patients annually; we can ensure that this coverage will now extend its reach into and through the Ypsilanti community. This new location extends the promise to our people to unlock their ability to lead healthier, happier, and more satisfied lives.

Mr. Speaker, I ask my colleagues to join me in honoring the opening of the new Ypsilanti Packard Health Center. I wish them the best of luck with their important work and success in their future endeavors.

HONORING MRS. HILDA ZIMMERLY

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. DIAZ-BALART. Mr. Speaker, in recognition of Women's History month I rise today to honor Mrs. Hilda Zimmerly, an outstanding individual from the state of Florida.

Originally from Ohio, Mrs. Zimmerly moved to LaBelle, Florida in 1977 after previously serving as a teacher and a bookkeeper in her home state. While in Ohio, Mrs. Zimmerly paused her college education in order to fill the need for teachers in the region, taking up part time teaching during her third year of college, all while balancing family and her other job as a secretary. Once she moved to LaBelle, she continued to work as a secretary to provide for her family and three young children. Mrs. Zimmerly eventually saved up enough to open up Hilda's Stitchery Shoppe. It was located in the same building as the business she served as a secretary, which enabled her to work both jobs concurrently. While working two jobs and raising a family, she was still able to stay active in the church, singing in the choir, and participating in youth leadership.

Although she had a small business, Mrs. Zimmerly had always wanted to go back to teaching. When a job became available in Glades County in the nearby town of Moore Haven, Mrs. Zimmerly moved on to become this school's librarian after earning her degree from the University of South Florida in media specialty. Her goal of teaching full time became a reality when she was hired in 1994 as a 4th grade teacher at LaBelle Elementary, teaching there one year until she transferred to County Oaks Elementary School also in LaBelle. Mrs. Zimmerly retired from County Oaks Elementary after a distinguished fourteen-year career. After her retirement, Hilda enjoyed her time sewing, scrapbooking and reading until she decided to try her hand at politics. She ran for City Commissioner with the help of her thirteen grandchildren, and won. She has served the city for ten years in this role. While serving as City Commissioner she has been involved in tourism development, the citizens traffic safety board and she is an active participant in City Government. She hopes to continue in this role for the foreseeable future.

I am privileged to know Mrs. Zimmerly, and admire her commitment to the community through a career of education and dedicated public service. Mr. Speaker, I am honored to pay tribute to Mrs. Zimmerly for her continued service to Southwest Florida, and I ask my

colleagues to join me in recognizing this remarkable individual.

NATIONAL ACADEMY OF FUTURE
PHYSICIANS AND MEDICAL SCI-
ENTISTS—SUNGMIN CHO

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Sungmin Cho from Katy, TX for being accepted into the National Academy of Future Physicians and Medical Scientists to represent the state of Texas at the Congress of Future Medical Leaders.

Sungmin is one of eight high school honor students selected from the Twenty-Second Congressional District of Texas. These students were selected as Texas delegates at the Congress of Future Medical Leaders, a program for high school students to be recognized for their hard work in school and supported to continually strive toward their aspirations of working in the medical field. Sungmin was selected by a group of educators to be a delegate for the Congress because of his dedication to his academic success and goals of pursuing a medical science. We are proud of Sungmin and all of his hard work, and know he will make Katy proud.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Sungmin for being accepted into the National Academy of Future Physicians and Medical Scientists. Keep up the great work.

CELEBRATING 2016 AS THE
INTERNATIONAL YEAR OF PULSES

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mrs. McMORRIS RODGERS. Mr. Speaker, I rise to celebrate 2016 as the International Year of Pulses.

I am extremely proud to represent the Pulse farmers of Eastern Washington. Eastern Washington is one of the most fertile agricultural areas in the nation and is proud to add pulses, namely dry peas, beans, lentils and chickpeas to crops which feed the world.

Pulses are a low fat source of protein with a high fiber content and low glycemic index. They typically contain twice the amount of protein found in whole grain cereals, and in most developing countries comprise the main source of protein. Pulses are so nutrient-dense that nutritionists consider them both a protein and a vegetable.

Pulses are rich in vitamins and minerals, providing consumers iron, potassium, magnesium, zinc, and are abundant with B vitamins. They contribute to a balanced diet, and have been shown to lower the risk of heart disease and diabetes, lower blood pressure and cho-

lesterol. Pulses can also play an important role in mitigating the harmful effects of human exposure to heavy metals, including lead, in communities across the United States.

In addition, according to conservative estimates, pulse crops provide thousands of production and manufacturing jobs in rural communities across the country. In the states of Washington and Idaho alone, 2015 saw over 226 million pounds of dry peas, nearly 70 million pounds of lentils, and over 165 million pounds of chickpeas produced. Top chefs and households around the country are discovering these healthy, affordable, sustainable and delicious super foods.

To help raise awareness of these crops, the United Nations declared 2016 as the International Year of Pulses. Pulses will play a major role in meeting future food needs as the world's growing population, which is set to require a 70 percent increase in agricultural production by 2050, because they are sustainable, nutritious, versatile, and affordable.

Mr. Speaker, I ask that all of our colleagues join me in celebrating 2016 as the International Year of the Pulses.

THE INTRODUCTION OF A HOUSE
RESOLUTION EXPRESSING THAT
THE SENATE SHOULD PROVIDE
FULL AND FAIR CONSIDERATION
OF THE PRESIDENT'S NOMINA-
TION OF JUDGE MERRICK GAR-
LAND

HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, March 23, 2016

Mr. CONYERS. Mr. Speaker, today I am introducing, together with my Democratic colleagues on the Judiciary Committee, a resolution calling on the Senate to observe regular order and to give President Barack Obama's nomination of Judge Merrick Garland to the Supreme Court full and fair consideration and an up-or-down vote.

Judge Garland is an eminently seasoned jurist who has the qualities to make him an upstanding nominee for the Supreme Court.

His unquestioned intellect, long judicial experience, and even temperament are widely admired and respected, even by Republicans like Senator ORRIN HATCH, who called him a "consensus nominee" for the Supreme Court who would be "very well supported by all sides."

Moreover, his deep respect for and fidelity to the Constitution and the law and his sensitivity to the impact of the law on ordinary people make him a good choice to fill the vacancy.

Unfortunately, with the death of Justice Antonin Scalia, we have seen partisan politics regarding Supreme Court nominations reach a new low.

For instance, within hours of Justice Scalia's passing, Senate Republican Leader MITCH MCCONNELL said that the Senate would refuse to consider any nomination made by President Obama to fill the vacancy.

In addition to being an astounding failure to carry out its constitutional duty, Senate Republicans' flat-out refusal to consider President Obama's nominee, regardless of the nominee's qualifications, is part of a longstanding
